NORTHERN NEVADA

Dinner Guidelines

Dinner Guidelines

Thank you for your interest in sponsoring a family dinner at the Ronald McDonald House of Reno. Your generosity is greatly appreciated. Please make the following information available to anyone in your group who will be participating in the Chef Program.

The House has ALL the cooking facilities - 2 ovens and stovetops, 2 microwave ovens, a gas BBQ grill cooking utensils (pots, pans, and serving dishes). Your group can prepare dinner in our kitchen or you can prepare the meal in your own homes.

Your group provides all food and baking ingredients needed to complete the dinner. Desserts and beverages are optional. No Smoking or alcoholic beverages are allowed. Feel free to decorate (centerpieces, balloons and tablecloths).

Dinner should be ready to be served buffet style by 6:00 p.m. Please do not be disappointed if the families are in a crisis at the hospital and are unavailable at the dinner hour. They will enjoy the meal later in the evening as their schedule permits.

In planning your menu we have found families enjoy home-style meals. Your casserole dish, soups or stews, chicken meals, a one-pot meal or your family favorites are really enjoyed.

Please leave the kitchen how you found it. We would also appreciate it if you could leave any extra food in the House refrigerator for the families that were unable to make it back in time for dinner.

Please call the House to set a date for dinner. Plan on preparing for about 10-15 people. Let us know what you will be serving and please have an alternate menu in mind in case a similar meal was served earlier in the week.

FOR THE SAFETY AND COMFORT OF OUR FAMILIES:

Keep the number of your group to no more than seven.

If anyone in your group is sick, please have them stay home. All members of the participating organization must be in good health and must not have been exposed to chickenpox in the last three weeks and must be free of any other contagious disease.

If you bring any children with you, it will be your responsibility to keep them with you in the kitchen and dining area.

Please do not discuss your or our families' medical situations or make any "judgment" remarks about our families.

THANK YOU FOR YOUR GENEROUS SUPPORT
